Swiss Bike XO 27 Speed, about \$2,000
First cheese, then chocolate, then watches; now, the Swiss went and perfected the mountain bike. The beauty of it all is that, in under 30 seconds, this full-size aluminum bike folds down to 36-by-28-by-12 inches — and that's with hydraulic front brakes, 26-inch wheels and a Rockshox Recon fork. www.swissbike.com.
