Our Cover Girl Tells Her Story

Holy Spokes!

You CAN have a full-size high-performance bike that will fit aboard your boat. The SwissBike™ from Montague Corp. folds in half so it's easy to store and transport. There are three models, the XO, LX, and the TX shown above. All feature Montague's precision engineering, patent pending CLIX™ wheel release system, and improved performance, convenience and safety. Visit www.swissbike.com or call toll free (800) 736-5348 for more information

US & Canada \$6.99 / Aus\$11.90 / NZ\$11.90
